Move your mouse to change the direction of the launcher, then click to launch the ball.. When the balls are removed, the pieces which are only attached to the destroyed group of balls will also be eliminated, for example, when you have destroyed a group of blue balls, the red balls which are only attached to the blue balls will also be removed.. If the ball forms a group of at least 3 balls of the same color, the whole group of balls will be destroyed.

Don't settle for Mindjolt's imitators Our list of addicting action games is always growing and upgrading, and there's no telling the caliber of tank destruction, zombie implosions, and great fantasy carnage you'll find in our action games section! We have cool games from great developers like MiniClip and Armor Games, so you won't have to worry about anything but getting that high score! Explore our games list as we deliver the best free online games! ..... When the game starts, multiple rows of color balls will slowly move downward from the top.. Before they all get too low Bouncing Balls is a classic bubble shooting game Aim of the game is to shoot the colored ball into groups of three or more of the same color to bounce them.. Your score is recorded at the top left corner of the screen If you can destroy a larger pile of balls, more points will be awarded.. A color ball is placed inside the launcher at the bottom of the play area, while the next ball will also be displayed. [Boyka Undisputed 4 Full Movie](#)
